**ONOFF FAIRWAY WINGS
LABOSPEC RB-247U**

INFORMATION

- The RB-247U is a high trajectory, distance performance utility with lofts of **U2 (18*)** and **U3 (21*)**. **A FUSION of AKA and KURO.**
- The RB-247U utilizes a high repulsion NEW Hi- Maraging Plus CUP face which features a high and wide sweet area optimized for distance performance.
- A forgiving UTILITY shaped more like a FAIRWAY WOOD. With the wider round sole shape, the swing is more stabilized and friction and resistance minimalized through the impact zone. This equals better impact, resulting in better direction and distance.
